

# Help Out on State Natural Areas

## Sugar River Wetlands Workday

### Help expand the wet prairie at Sugar River Wetlands State Natural Area!

Scatter the seeds that were collected earlier this year to restore areas where invasive brush was cleared. We'll also identify other tasks to control invasive brush. This work will expand the quality wetland areas and continue the efforts started by the Upper Sugar River Watershed Association and Wisconsin DNR. No skills needed you will be trained onsite. See details below.
